WORKFORCE STATISTICS**

THE FACT BOOK

2007 EDITION

UNITED STATES OFFICE OF PERSONNEL MANAGEMENT

INTRODUCTION

THE FACT BOOK is produced annually by the U.S. Office of Personnel Management (OPM) as a convenient reference suitable for a variety of audiences. It contains descriptive statistical information, using tables and charts, about many aspects of the Executive Branch workforce. **Note that data for the U.S. Postal Service are excluded from all tables except those on pages 8 and 64, and the tables in Part 4.** Both historical and current data are displayed, resulting in a comprehensive snapshot of the Federal worker -- personal and professional characteristics, employment levels, and benefit payments and contributions. The statistical tables and charts in *THE FACT BOOK* are based on data from a wide range of sources, each of which is cited on the appropriate page with telephone contacts and email addresses if available.

The 1998 through 2006 editions are available to the public in electronic format. You may download a copy of the most recent version of this publication, and the previous 6 years, from our web page at <http://www.opm.gov/feddata/factbook/index.htm>. Our web page provides versions of *THE FACT BOOK* in Hypertext Markup Language (html), Excel (xls), and Adobe Acrobat's Portable Document Format (pdf), which requires the Acrobat Reader for viewing and printing. You may obtain the Acrobat Reader by following the "PDF HELP" link on the *FACT BOOK* page. Acrobat uses hypertext and electronic bookmarks to help the reader navigate throughout the document.

THE FACT BOOK is designed to provide you with an easy-to-use document. We welcome your comments and suggestions for its improvement. For more information, please call Theresa E. Neal at (202) 606-2942, or email to: teneal@opm.gov.
